I see you walking down with that smile babe
If only you would look this way
Lookin' cool
Lookin' fine
You bring me up make me higher baby

Oo-oo-oo Feel the love that I do
I'm tryin' to make you see that I'm the one
oh oh woh-o-o

People say it's just another silent dream
They all forget what real love feels like
Nothing will stop me, I only know to go on
Wait and see, the power of love will see me through

(Little babe) Yeah-eah
(C'mon babe) Yeah Yeah
(Little babe) Yeah-eah
(C'mon babe) Yeah Yeah

I'm wishin' that you'd call my name babe
Would you ever talk to me
Praying hard
Hope is strong
You're comin' closer gotta take my chance

Oo-oo-oo Feel the love that I do
You know I want you to believe me oh oh woh-o-o

People say it's just another silent dream
They all forget what real love feels like
I thank them for their kindness, but I trust what I believe
I know the power of love will see me through

Oo-oo-oo Feel the love that I do
We're dreamin' eachothers eyes hoo---

People say it's just another silent dream
They all forget what real love feels like
See now, you're lookin' at a dream come true
Just believe, the power of love will see you through
