Hey, you know I just lose my mind
You just take me away, I wanna be with you

Oh babe, you're my dream world
Kodou ga takanatte iku
Chotto setsunakute amai

Oh babe, you're my dream world
Sonna suteki na hito wo
Yatto mitsuketa no
I love you

Nee... honto ni anata omou to
Boy... nakidashisou ni nacchau
Uh... konna ni itoshikute
Hah... tameiki bakari

Datte anata no heart
I'm not so sure
Chotto wa omotte kureteru no?
Atashi ja dame na no?

Hey, you know I just lose my mind
You just take me away, I wanna be with you

Oh babe, you're my dream world
Kodou ga takanatte iku
Chotto setsunakute amai

Oh babe, you're my dream world
Sonna suteki na hito wo
Yatto mitsuketa no

Hmm... nani wo mite itemo anata omoidasu

Think about you

Kono kaori wa masa ni my heart

Oh babe, you're my dream world
Just can't stop thinking about you

Utsumuku hibi wa mou no more

Oh babe, you're my dream world
Kodou ga takanatte iku
Chotto setsunakute amai

Oh babe, you're my dream world
Just can't stop thinking about you
Hey, konna ni omou koto nakatta

Oh babe, you're my dream world
Furimuite hoshii hito
Yatto deaeta no

I just wanna think about you every day

Ah, you know I just lose my mind
You just take me away
I wanna be with you
