Baby u know I'm just keepin it real
Dou shite is it hard to say
Kimochi wo kiku no ga kowakute
wanna know what you're feeling
baby u know I'm just keepin it real
why is it hard to say
I'm scared to ask you about your feelings

Konna ni kimochi ni kizuitara
Dou shite? Futsuu ni kakusenai
Koko kara wo kimeru no wa friendship or love
Should I tell you?
Baby what's on your mind?
If I noticed the feelings this much
why can't I keep it hidden as usual
from here on, deciding on friendship or love
should I tell you?
baby what's on your mind?

Kizuiteeru? my sign
Wanna be right by your side
Hoka no onnanoko no APIIRU CHEKKU suru
Are you messin with my mind?
Sweet lies wa iranai
I'm for real dare ni mo toraretakunai
Do you notice my sign?
wanna be right by your side
you do an appeal check on the other girls
are you messin with my mind?
I don't need sweet lies
I'm for real
I don't want you to be taken away by anyone

** Kono mama furimawasanaide
Baby u know I'm just keepin it real
Dou shite is it so hard to say
Anata no kimochi wo oshiete yo

why is hard to say
tell me your feelings

Mawari no tomodachi tell me hoka ni
Motto ii hito out there for me
Wakatte iru keredo he's the only one
Yuzurenai I will make you see
the friends around me tell me
that there are better guys out there for me
though I know that he's the only one
I can't give up, I will make you see

When I'm with you, I get so shy
Suki nante ienai
I get so weak, it's hard to speak
kanjou ga PIKU it's like hide & seek
Are you messin with my mind?
Regret shitakunai
I'm so for real dare ni mo toraretakunai
when I'm with you, I get so shy
I can't say that I love you
I get so weak, it's hard to speak
your feelings peek, it's like hide & seek
are you messin with my mind?
I don't want to regret it
I'm so for real
I don't want you to be taken away by anyone

Do I like him as a friend
If I tell him will it end (hanasetaku naru no)..
Does he look at me the same
Does he see it as a game (kono mama de iru no?)..
do I like him as a friend
if I tell him will it end (will he want to leave?)
does he look at me the same
does he see it as a game (will we remain like this?)
