I want you to stay so hold me tight,
Watashi wo terashiteru,
We gotta' keep on trying,
It's working out, You and Me together.

Ano hi sude kuketa mirai,
Mitsukete kureta ne,
Toki ga suki demo zutto,
Kimi to itai yo.

Take me far away,
Hikari mo tometa pisuru,
You can't stop the feeling now,
My love, Kimi no soba de.
I just wanna' love you babe,
Kotae wo sagashite,
You're my everything so kono mama,
Just take me far away,
Kimi to futari de.

Every day and every night,
Sono koe wo kikasete,
Baby I can't go on without your love,
We gotta' be together.

Tonari ni iru dakede,
Kokoro ga mitasareru,
Kimi ga iru kara,
Watashi wa hitotsu ni nareru.

Osarekirenai kono ai wo sasageru,
You can't stop the feeling now,
My love, Kimi dake wo.
I will always love you babe,
Ashita wo shinjite,
I can bare with things so kono mama,
Aruite iuku,
Kimi to futari de.

Kasaneru baii makes me say,
Ano hi no futari ni totte,
Love's forever, Baby...

Take me far away,
Hikari mo tometa pisuru,
You can't stop the feeling now,
My love, Kimi no soba de.
I just wanna love you babe,
Kotae wo sagashite,
You're my everything so kono mama,
Just take me far away,
Kimi to futari de...
