pick up the phone
i wanna talk
about my day
it really sucked
the sun was out
i felt i was flyin\
but then you slipped into my mind
i wanna see you
but i know i can\
cos you're not home
you're never home
i can't remember
why you left
and why you took
back all your stuff
i'm sorry i lost
your favourite t-shirt
i'll buy you a new one
a better one

pick up the phone
i wanna talk
about how i miss you
i miss you so much
hop on a plane
come back to see me
i promise i wont be
such a brat
i promise i wont be such a brat
if i promise you anything i promise you that
promise you that i wont be a brat
if i promise you anything i promise you that
i miss you i miss you i miss you i miss you i miss you i
miss you
