"Gone Again"

A gloomy day and I'm feeling low
I don't know why 'cause I just got high
But I know that you're gone again
I know that you're gone again

The cat's awake, he won't give me a break
I wanna go back but I know it's too late
You're gone again, you're gone again
You're gone again, you're gone again

Gloomy day and I'm feeling insane
But I don't know who's to blame
But I know that you're gone again
I know that you're gone again

I'm awake 'cause it's noisy outside
I don't know why but I was trying to hide
But I know that you're gone again
I know that you're gone again

And all my friends know when to leave me alone now
Wish I'd stop, this I'd stop, this I'd stop, this I'd stop
And all my friends know when to leave me alone now
Wish I'd stop, this I'd stop, this I'd stop, this I'd stop
