"No One Like You"

If I sleep on the floor,
Will it make you love me more?
If I pack up my things and leave,
Can I still be the queen to your king?

No, no, no, no oh
No, no, no, no oh

Know that you don't mean to say things,
That hurt me and drop me to my knees.
Been around this crazy world
But I still want to be your girl

Cause there's no one like you, no one like you, no one
like you
No one like you, no one like you, no one like you

No, no, no, no oh
No, no, no, no oh
No, no, no, no oh
No, no, no, no oh
