"Summer Mood"

Walking away
Talking all day
Ooo I want you
Ooo I want you

Walking away
Talking all day
Ooo I want you
Ooo I want you

But there's something about the summer
There's something about the summer
There's something about the summer

Walking away
Talking all day
I can't stand this
I can't stand this

Walking away
Talking all day
I can't stand this
I can't stand this

But there's something about the summer
There's something about the summer
Something about the summer
Something about the summer that makes me moody

That makes me moody
That makes me moody
That makes me moody
That makes me moody

Ah
Ah
Ah
Ah
