Ooh
Ooh

I walked to the bottom of my block and thought about
how you
How you
How you'd be home soon
How you
How you'd be home soon

Ooh
Ooh

Last night I went out with this guy
This guy
He was nice
He was nice and cute
But he
He wasn't you

You say that we're just friends
But I want this 'til the end
You say that we're just friends
But I want this 'til the end, the end
'til the end, the end
'til the end, the end
'til the end, the end
'til the end

Ooh
Ooh

Why do we have to make this hard when it doesn't have
to be
Why do we have to make this hard when it doesn't have
to be

You say that we're just friends
But I want this 'til the end
You say that we're just friends
But I want this 'til the end, the end
'til the end, the end

'til the end, the end
'til the end, the end
'til the end
