I've got the understanding of a 4-year-old
I've got the piece of mind of a killer soul
I've got the rationale of a New York cop
I've got the patience of a chopping block, yeah

trip like I do
trip like I do
[oh my god this is the best]
trip like I do
trip like I do
[oh my god this is the best]

I've got the acumen of a seasoned pro
I've got the lack of sight of a billion souls
I've got the world on my back , but I don't seem to care
I've got the comprehension of a world unaware, yeah

trip like I do
trip like I do [oh my god this is the best]
trip like I do [mm..I want you to trip like I do]
trip like I do
[oh my god this is the best.. I want you to like I do]

can't you ?
can't you trip like I do
can't you
can't you trip like I do

laid out on my back
I can't sleep cause I'm swimming
eyes in my teeth
I can't see cause I'm eating

head full of noise
I can't think cause it's crushing
back on my feet like a freight train I'm coming

can everybody feel like I do?
can everybody feel like I do?
[oh my goddess...]

can't you?!

can't you trip like I do??
can't you?!
can't you trip like I do??
aaaah

[oh my god this is..]

can't you trip, can't you think
can't you feel like I doÂ...
can't you walk, can't you breathe
can't you trip like I do...

can't you trip, can't you think
can't you feel like I doÂ...
can't you walk, can't you breathe
can't you trip like I do [trip like I do]
[bis x 2]

can't everybody feel like I do?
can't you trip, can't you think
can't you feel like I doÂ...
can't you walk, can't you breathe
can't you trip like I do [trip like I do]

can't you walk, can't you breathe like me?
