Dashboard lights
Oh god it seems I've been on the road all night
Got momma's picture on the seat beside me
Oh how I love what I left behind me
But I'm ready to face
The dawn of a new day

Gotta keep on rollin'
Keep on going
Keep on movin'
Like a runaway train
My hearts wide open
And I ain't slowing down
Till the sun hits my face
In the dawn of a new day

This old truck
And one suitcase
Guitar in the bed
I hope it doesn't rain
Got a pocket full of dreams I've been saving
Paid my dues done some praying
Now I'm on my way
To the dawn of a new day

Gotta keep on rollin'
Keep on going
Keep on movin'
Like a runaway train
My hearts wide open
And I ain't slowing down
Till the sun hits my face
In the dawn of a new day

The wind is at my back
That horizons calling me

Gotta keep on rollin'
Keep on going
Keep on movin'
Like a runaway train
My hearts wide open

And I ain't slowing down
Till the sun hits my face
In the dawn of a new day
