Don't look so damn defeated  
Like somebody beat you down  
Left you on the ground  
You say you're tired and you can't go on  
That's when the race is best  
Are you better than the rest?

Fight for me baby  
I'm into digging deep  
Show me what you've got  
Show me I'm what you need  
Don't wave a white flag  
Don't be a coward now  
Nothing short of going crazy  
And fight for me baby

There's the door and it's wide open  
If you're gonna leave  
Don't go begging me  
Drive so far that I can't feel you  
Down a dark highway  
But I'd rather you would stay and

Fight for me baby  
I'm into digging deep  
Show me what you've got  
Show me I'm what you need  
Don't wave a white flag  
Don't be a coward now  
Nothing short of going crazy  
And fight for me baby

Sometimes you gotta take it on the chin  
Then get back up again, yeah  
And fight and fight and fight and fight

Fight for me baby  
I'm into digging deep  
Show me what you've got  
Show me I'm what you need  
Don't wave a white flag

Don't be a coward now  
Nothing short of going crazy  
And fight for me baby  
Oh fight for me fight for me baby  
Oh fight for me baby, baby, baby
