Still astonished by this spark of light
Like the sun swallowed by the sea
The waters call for me
Like the sun swallowed by the sea

Pulls me under
Rips the sun asunder
Pulls me under
Rips the sun asunder

I fight to find my life
Through these labyrinths of light
On a flight to find my life

I fight to find my life
Through these designs of light
On a flight to find my life
I'm still astonished by this spark of light

Like the sun swallowed by the sea
The waters call for me
Like the sun swallowed by the sea

Like the sun swallowed by the sea
The waters call for me
Like the sun swallowed by the sea

I'm still astonished by this spark of light
Even as these waters writhe
Still astonished by this spark of life
Even as these waters rise

Still astonished by this spark of light
Spark of light, spark of light, spark of light
