(La la la la la la, la la la la)

Oh he's from another country, living in another world

I fell in love the other night  
You know, it was love at first sight  
& though I love him so  
I can't let him know just how I feel

(La la la la la la, la la la la)

'Cause he's from another country, living in another world

My friends all tell me that I'm wrong  
To love a guy who don't belong  
But try as I may try  
I can't tell them why I feel this way

(La la la la la la, la la la la)

Yes he's from another country, living in another world

(instrumental)

But I would give my world  
Just to be his girl, oh yes I would

(La la la la la la, la la la la)

'Cause he's from another country, living in another world

(repeat & fade):

(La la la la la la, la la la la)
