Hey look, if I could turn everything into something
I promised you
I promised you (I promised you)
I'd do it all for you

I won't let you down

Give me one good reason
Why you're falling away
Please don't let go
Promise me that tonight will be ok

If I could turn back time I would
I promised you (I promised you)
I'd do it all for you

I won't let you down
Give me one good reason
Why you're falling away
Please don't let go
Promise me that tonight will be ok

Hey look, if I could turn everything into something you
thought was nothing
I promised you
Possible, I stopped time just for you
If you let me I know i can't but I'd try just for you
I promise you

Give me one good reason
