You're taken by surprise.
You found a way inside my heart.
A heart that has been hurt and torn by love so many
times.
Dreams of you and the day we fall in love
fill up my mind all day so all that I have left to say is

Please take this piece of my heart
Yeah! Never let it go.
Things may not worked out quite right
but I wont lose hope.

I didnt see you coming.
You walked threw my hind doors.
When I'm so vulnerable and very few will get inside.
Dreams of you and the day we fall in love
fill up my mind all day so all that i have left to say is

Please take this piece of my heart
Yeah! Never let it go.
Things may not worked out quite right
but I wont lose hope.

And I know I'm not the one who makes your life
complete.
The one who you thought is so charming and sweet.
This feeling inside grows deeply for you.
It's not who you are but it's all that you do.

Please take this piece of my heart
And never let it go.
Things may not worked out quite right
but I wont lose hope.

Please take this piece of my heart
And never let it go.
Things may not worked out quite right
But I wont lose hope.

But I wont lose hope.
But I wont lose hope.
But I wont lose hope.

But I wont lose hope.
