Through the window of my eyes, I can see the rainy day  
Sitting in the chair of my cool room, looking for a way  
to be the one I am  
It's useless to cry for the things I once have known,  
thinking it will come back and reach my home  
It's like a distant, like a distant face  
It's like the shadow on my wall  
Something that, that I cannot touch  
A heavenly past that calls  
The shelter of my mind hides my laugh and my tear  
I keep on looking for a reason which is not here

Through the window of my eyes, I can see the rainy day  
Sitting in the chair of my cool room, looking for a way  
to be the one I am  
It's useless to cry for the things I once have known,  
thinking it will come back and reach my home
