You gotta be kiddin'  
This is unbelievable  
Don't make me curious  
Leave me alone  
The message is hidden  
It's inconceivable  
Let's get serious  
What's going on?

Hey! Hey! You make things difficult  
You make it hard livin' on

Chorus:  
I'm going crazy  
Livin' this way  
I'm giving all my life to you  
Baby I'm crazy  
But I'm going insane  
I shouldn't love you like I do

I must have been screaming

That was unintentional  
I do apologize  
For the way I feel  
So tell me I'm dreaming  
cause I'm a bit conventional  
Don't psychologize  
It's no big deal

Come on! Come on! Don't make things difficult  
Don't make it hard livin' on

Chorus

Don't take this personal  
We're in too deep  
Maybe the cure is  
Worse than the disease

Chorus

I shouldn't love you like I do (x2)
