I've been to many places
I've met different racist
I've seen so many faces
But it's you i can't forget

I've been through high & low
'til i got nowhere to go
I got this funny feeling
That it's you i'm missing

[Chorus]

So baby come on font let this go
You know i love you so
Don't throw away
Let out love grow
I can't let you go

We've always been so strong
We almost had it all
Don't give up now or leave
Coz we weill always be

[Chorus 2x]

Lets come to think of it
Look at all the goodness
Why can let this happen
Coz it's you that i always be loving

Ooooooh, i can't let you go
Ooooooh, i wont let you go
Ooooooh, i'm never let you go
Ooooooh, i can't let you go
