Alone in my room  
I see you, I feel you  
Round and round it goes  
Warm memories we've left behind  
I think of you night and day  
Can you hear me calling out your name.  
I thought that I'll be okay  
Tears falling down my face

If you want me,  
If you need me  
?Cause there?s nothing in me that I would ever change  
If you want me,  
If you need me  
I'll stay  
Now time have passed me by  
And the darkness has seized the day  
Our pictures may fade away  
Will I have my reasons to stay  
If you want me,  
If you need me  
?Cause there?s nothing in me that I would ever change  
If you want me,  
If you need me  
I'll stay  
If you want me,  
If you need me  
?Cause there?s nothing in me that I would ever change  
If you want me,  
If you need me  
I'll stay  
If you want me,  
If you need me  
?Cause there?s nothing about me that I would ever  
change  
If you want me,  
If you need me  
I'll stay  
If you want me,  
If you need me  
?Cause there?s nothing in me that I would ever change

If you want me,  
If you need me  
I'll stay
