When I needed love,
There was you.
When I needed someone to hold,
There was you.
But my eyes couldn't see what I have,
That there was you.

With all the pain and tears, won't go away
With this song, are reaching for you to stay
Comparing morrons with his intentions,
I'm not enough.

I miss the time you hate me
Coz you only show you love me
Bring back those laughter... I could see you again
I had the sun that's screaming,
Coz life it has no meaning.
When will I see you again.

As far east, and west did you forgive.
And I'll be here, help you forget.
All I want is to mend a broken heart,
That's part of you...

I miss the time you hate me
Coz you only show you love me
Bring back those laughter...
I could see you again
I have the sun that's screaming.
Coz life it has no meaning
When will I see you again

I miss the time you hate me
Coz you only show you love me
Bring back those laughter...
I could see you again
I have the sun that's screaming.
Coz life it has no meaning
Bring back those night so I could see you again

Hold on the mezz were tryin...

Erase the memories of cryin...
When will I see you again
