I think I cracked my skull on the way down
I think I lost my head when I lay down
The fear facts presented in the cold light of day

I say, the time has come for decision
Better steer my boat for a reason
Lost on the way, I went over horizon
She went out of sight, the girl lost me a lifetime

Sometimes I feel [Incomprehensible], baby
Sometimes I feel [Incomprehensible], baby

I say, the time has come for decision
Better steer my boat for a reason
Lost on the way, I went over horizon
She went out of sight, the girl lost me a lifetime
Sometimes I feel [Incomprehensible], baby
An' sometimes I feel [Incomprehensible], baby

I think, I cracked my skull on the way down
I think, I lost my head when I lay down
The fear facts presented in the cold light of day

And when I step back from all this, I see that I'm
fighting
I can't help myself, there's no reason for lying
Truth and fiction they all become one
Help me from the sea to the beach, to the la

Sometimes I feel [Incomprehensible], baby
Sometimes I feel [Incomprehensible], baby
Sometimes I feel [Incomprehensible], baby
Sometimes I feel [Incomprehensible], baby
