Inner meet me, oh, you can't decide
Inner meet me, oh, you can't decide
Inner meet me, oh, you can't decide

Last night I dreamt somebody fell asleep between my
knees
I couldn't help it all my thoughts were rejected by a boy
who called me
Last night I dreamt somebody fell asleep between my
knees
I couldn't help it all my thoughts were rejected by a boy
who called me
Last night I dreamt somebody fell asleep between my
knees
I couldn't help it all my thoughts were rejected by a boy
who called me

She said to me
Keep your head up
Never show up
Keep it all in never dream alone

Away on a star
Who is too far
Say what you feel
He couldn't heal

Never dream alone
Never dream alone

If you can feel that the light is on the ceiling
Then you can't see past your nose
Just what you seeing [Incomprehensible]
She's a fool [Incomprehensible]
I never listen but the people who are Christian all want
to move away?
[Incomprehensible]

She said to me
Keep your head up
Never show up
Keep it all in never dream alone

Away on a star
Who is too far
Say what you feel
He couldn't heal

Never dream alone
Never dream alone

Inner meet me, oh, you can't decide
Inner meet me, oh, you can't decide
Inner meet me, oh, you can't decide

Last night I dreamt somebody fell asleep between my
knees
I couldn't help it all my thoughts were rejected by a boy
who called me
Last night I dreamt somebody fell asleep between my
knees
I couldn't help it all my thoughts were rejected by a boy
who called me

She said to me
Keep your head up
Never show up
Keep it all in never dream alone

Away on a star
Who is too far
Say what you feel
He couldn't heal

Never dream alone
Never dream alone

She said to me
Keep your head up
Never show up
Keep it all in never dream alone

Away on a star
Who is too far
Say what you feel
He couldn't heal

Never dream alone
Never dream alone

Inner meet me, oh, you can't decide
Inner meet me, oh, you can't decide
Inner meet me, oh, you can't decide
