Just like yesterday  
I'll never feel this way again  
Just like yesterday  
If I never see this face again

If I lose now will you find me  
On the [Incomprehensible] 00.30  
And I'm brain dead, I keep smiling  
It's the action, oh I'm hiding

Just like yesterday  
I'll never feel this way again  
Just like yesterday  
If I never see this face again

I love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

I love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

I love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

It's my last speech, I'm just dreaming  
What I'm saying has no meaning  
So check closely 'cause I'm reaching

The smugglers board is beaching

Just like yesterday  
I'll never feel this way again  
Just like yesterday  
If I never see this face again

I love you to pieces

I love you to pieces  
I love you to pieces  
I love you to pieces

I love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

I love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

I love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

Love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

Love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces

Love you to pieces  
I love you to pieces  
I love you to pieces  
I love you to pieces
