I look inside your black heaven

I see your naked altar there

Yeeeaah

They rip you down and criticize you

Too strong to bend

Too strong to care

Ohhhhh

Black star white light

Black star white light

Eating the cancer cells

From the death machine

Black star white light

Black star white light

Eating the cancer cells

From the death machine

American Gothic

Raven boy (raven boy)

Child monster

With insect hair (with insect hair)

Yeeeaah

You destroy this moral prison

You free the slaves

You free the slaves

Yeah free the slaves

Free the slaves
