Ashes and Ghosts are all around me

On the night of the assassins

They came

And I was ready  
Do you believe

Oh yeah

Do you believe  
I look around the world and see

The winged waifs powdered on petal dust  
I can't believe the sorcerer's dream has come

And never chosen one of us  
All around the atoms raging

I can see your magic's failing

I do believe they're going to get you

I do believe  
Can't cast a spell on me

Ashes and Ghosts are all around me

I don't believe in what you're saying

Ashes and Ghosts they fill my heart

Can't cast a spell on me

Ashes and Ghosts are all around me

You broke the truth and now you're failing

Ashes and Ghosts they fill my heart

You're a fake

Yeah

You're a fraud  
The assassin's hand has planned to pull the wings off

Every one of us

Yeah

Cracked faeries heads are spinning down

The Blood shot eyes

Nostrils flared at us  
All around the storms raging

I can see your magic's failing

I do believe they're going to get you

I do believe  
Can't cast a spell on me

Ashes and Ghosts are all around me

I don't believe in what you're saying

Ashes and Ghosts they fill my heart

Can't cast a spell on me

Ashes and Ghosts are all around me

You broke the truth and now you're failing

Ashes and Ghosts they fill my heart

You're done

You're a fake

You're a fraud  
Can't cast a spell on me

Ashes and Ghosts are all around me

I don't believe in what you're saying

Ashes and Ghosts they fill my heart

Can't cast a spell on me

Ashes and Ghosts are all around me

You broke the truth and now you're failing

Ashes and Ghosts they fill my heart

Yeah you're failing

Yeah you're failing, failing

I don't believe in what you're saying

Can't cast a spell on me

Ohh ohhhhh, no no no no

You broke the truth and now you're failing

Yeah you're failing

Yeah you're failing

Yeah you're failing
