If your body's feelin' bad

And it's the only one you have

You want to take away the pain

Go out walkin' in the rain.  
You watch the flowers go to bed,

Ask the man inside your head

Your spirit never has to grieve

All ya got to do's believe.  
The faith healer

The faith healer  
All ya got to do is feel

Your body's going to start to heal

The fingertips of holy fire

Everlasting sweet desire  
It doesn't matter what the doctor said

The healer man will sail away

Immortality for two

The miracles, they will come to you  
The faith healer

The faith healer

Let me put my hands on you?

Let me put my hands on you?  
The faith healer

The faith healer  
Faith, and hope and charity

The simple relativity

He can make you understand

All you've got to do is take his hand  
It doesn't matter what somebody said

Ask the man inside your head

The fingertips of holy fire

Everlasting sweet desire  
The faith healer

The faith healer  
Let me put my hands on you?(six times)

The faith healer.....(3 times and end)
