Fire woman, yeah

Shake, shake, shake, shake it, yeah

Wound up, can't sleep, can't do anything right, little
honey

Oh, since I set my eyes on you

I tell you the truth

T-t-t-twistin' like a flame in a slow dance, baby

You're driving me crazy

Come on, little honey

Come on now

Fire

Smoke, she is a rising fire, yeah

Smoke on the horizon, well

Fire

Smoke, she is a rising fire

Oh, smokestack lightning

Smokestack lightning

Well, shake it up, you're to blame, got me swayin' little
honey

My heart's a ball of burnin' flame

Oh, yes it is

Trancing like a cat on a hot tin shack

Lord, have mercy

Come on little sister

Come on and shake it

Fire

Smoke, she is a rising fire

Oh, smoke on the horizon, yeah

Fire

Smoke, she is a rising fire

Oh, smokestack lightning, baby

I was thinking what I've been missing

I'll tell you truthfully, well

She's coming close now

Oh, I can feel her

She's getting close to me

And I never, yeah

Fire

Smoke, she is a rising fire

Oh, smoke on the horizon

Fire

Smoke, she is a rising, rising, rising fire

Smokestack lightning

A-j-j-j...

Burnin' out

And shake it, baby.

Come on and burn it.

I say send down fire to me

Say send down fire to me

Say send down fire to me, yeah!

Fire woman, you're to blame...
