You are the sun

I am the flame

You are the blood

I am the same

We are the love

That rises again

They are the snake

That bites on your veins

We are not chained to the wheel

You are the tear

I have no fear

You are so strange

I feel the same

Sorcerous mind

We rise again

We are not chained to the wheel, to the wheel
It's the way that you feel

It's the truth in your eye

You got wings upon your back

And you can fly

It's the way that you feel

It's the truth in your eye

'Cos you're up against the world

And still you rise

And still you rise
You are alive

Height of my dreams

You are the stars

That mystify me

And you are the wolf

That frightens the thief

And you are the voice

That that they disbelieve

We are not chained to the wheel

And you are the spark

That sets us all free

We are not chained to the wheel, to the wheel
It's the way that you feel

It's the truth in your eye

You got wings upon your back

And you can fly

It's the way that you feel

It's the truth in your eye

'Cos you're up against the world

But still you rise

And still you rise
Whaoh, baby
It's the way that you feel

It's the truth in your eye

You got wings upon your back

And you can fly

It's the way that you feel

It's the truth in your eye

'Cos you're up against the world

But still you rise

And still you rise

And still you rise

And still you rise
