I like the way you shape the sky mama

I like the way you shake the night yeah

I like the way you whip my mind lover

I like the way you whip my mind yeah

I want to take you down with me lover

Into the heart of the dark with me yeah
Take a trip inside

Cast the spell you hide

Yeah

Take a trip
Be a witch girl

Be a thief yeah

Steal my crown and resurrect me

Be a nymph girl

A cool thief yeah

Burn the night and dance around me
I like the way you shape the sky mama

I like the way you shake the sky yeah

I like the way you whip my mind lover

I like the way you whip my mind yeah
Take a trip inside

Cast the spell you hide

Well

Take a trip
Be a witch girl

Be a thief yeah

Steal my crown and resurrect me

Be a nymph girl

A cool thief yeah

Burn the night and dance around me
Be a witch girl

Be a thief yeah

Steal my crown and resurrect me

Be a nymph girl

A cool thief yeah

Burn the night and dance around me
Because you're so outside

So alive

Because you're so outside

So alive

Yeah you're so outside

Cracker heads and angels in your heart

Come together

Yeah

Yeah your Cracker heads and angels in your heart

Come together

Yeah

Yeah your Cracker heads and angels
Be a witch girl

Be a thief yeah

Steal my crown and resurrect me

Be a nymph girl

A cool thief yeah

Burn the night and dance around me
Be a thief yeah

Steal my crown and resurrect me

Be a nymph girl

A cool thief yeah

Burn the night and dance around me
Because you're so outside

So alive
