Got a fist full of ice  
Got a head full of speed  
Got a fist full of ice  
Got a head full of speed  
I hear the sound of destruction  
I smell a rose of seduction

Got a fist full of ice baby  
Got a head full of speed  
Just gimme what I want now  
Just gimme what I need

I don't fear anyone  
Stray dog fighting  
haters run  
I got lighting in my eye  
I ain't no dirty suicide

I don't fear anyone  
Stray dog fighting  
haters run  
I got lighting in my eye  
I ain't no dirty suicide

In this world full of ice  
Truth is just a disease  
A cheap way to please  
So stop pleasing me

We're on the path of destruction  
We're right up for destruction  
Got a fist full of ice  
Got a head full of speed

I don't fear anyone  
Stray dog fighting  
haters run  
I got lighting in my eye  
I ain't no dirty suicide

I don't fear anyone  
Stray dog fighting

haters run  
I got lighting in my eye  
I ain't no dirty suicide
