Black California

Crush the innocent mind

Girl I ought to warn you

My reputation's unkind

But you knew that anyway
Black California

Black California
Change your lives at the Speed Of Light

Show them fear and they'll show you the knife

Change your lives at the Speed Of Light

Show them fear and they'll show you the knife
Don't drink the dirty black water

Poison feeds the mouth of disorder

Hear the law obey the disorder

Hear the law obey the disorder

Black California

Who plays the devil

Crush the innocent mind

Who rides the devil

Who plays the devil

Who rides the devil
Change your lives at the Speed Of Light

Show them fear and they'll show you the knife

Change your lives at the Speed Of Light

Show them fear and they'll show you the knife
Come on come on come on my children

Come on come on come on now

Come on come on come on my children

Come on come on come on now

Come on come on come on my children

Come on come on come on now

Come on come on come on my children

Come on come on come on
Black California
