All

All God's children

They got heart

They got swagger

They got truth

Ah-ha-ha

Yeah, all

All God's children

They got heart

They got swagger

They got youth

Ah-ha-ha

Don't you know I've got a pagan heart?

I love the earth

I'm not a preacher

Hey there honey, glad to meet you, whoo, hey

Don't you know I've got a pagan heart?

I love the earth

I'm not a preacher

Hey there brother, glad to meet you

All

All God's daughters

They got ass

They got class

They've got youth

Ah-ha-ha

And all

All God's sons

They got muscle

They got swagger

They got truth

They got truth

You listening?

Don't you know I've got a pagan heart?

I love the earth

I'm ain't no preacher

Hey there sister, glad to see you

Yeah, don't you know I've got a pagan heart?
I love the earth
I'm not a preacher
Hey there brother, glad to see you
Yeah-yeah, yeah-yeah

I want you to notice
You sexy human being
Hope you notice
Right before we die
We die, whoo

All
All God's children
They got heart
They got swagger
They got youth

All God's children
Yeah, yeah, yeah
They've got heart
They've got truth

And all
All God's daughters
They got ass
They got class
They got youth

All God's children
Ah-ha-ha
They've got heart
They've got truth

And all
All God's babies
They got life
In their eyes
They got truth

All God's children, whoo
They've got heart
They've got truth

And all
All God's sons
They got muscle
They got swagger
They got truth

All God's children

Ah-ha-ha-ha
They've got heart
They've got truth

And all
All God's babies
They got heart
They got life
They've got youth

All God's children
They've got youth
They've got heart
They've got truth

Oh, all, all, hey-hey-hey, hey-yeah
