Gruesome morbid tale - pussy, red and pale  
Dripping blood down your leg  
Someone says she's got a mother-fucking clot  
Blistering, festering, ever-growing red spot  
Eyes are shut, legs are spread  
Roll her over so I just might get a chance  
Here a queef, can't believe  
Menstrual flowings through your pants  
Pick scabs, shave hair, hold nose  
And dive right into the stuff  
Cut it, stitch it, fuck it, cut it  
Blood and rough  
Something must be dead  
Zoo-like odors abound  
Making Mommie's couch brown  
Orifice I must kiss  
Shit-stained box I must fuck  
Drooping lips and my piss  
Left a stain I cannot clean
