Verse 1

Good times with share
When you need I will be there
I'll help you share
Burdens you can't bare

BRIDGE

I'll go trough a storm with you
You just call and I'll come trough
And when the tide is high
Don't you know that I'm by your side
'cause

Hook

Are you my friend until the end
Or just pretend
I've got to know
Can I depend on you my friend
Until the end
I've got to know

Verse 2

When you feel down
I'm your friend, I'll be around
I'll here the sound
When you feel, you're breaking down

BRIDGE

I'll go trough a storm with you
You just call and I'll come trough
And when the tide is high
Don't you know that I'm by your side
'cause

Hook

Are you my friend until the end
Or just pretend
I've got to know
Can I depend on you my friend
Until the end

I've got to know
