Verse 1

Crisp and clean, just seventeen
Out there playing with the big boysteam
And she ain't ashamed
Throw them sexy eyes at you
Make you talk like you was two...
And forget your name
Mamma's pearl, Daddy's girl
Thinks she's sittin on top of the world
But if they only knew
Late at night she creeps outside
And don't come back 'til broad daylight
And you know it's true

Hook

Crazy little schoolgirl
Mamma & Daddy's whole world
Crazy little schoolgirl
You're too young for my world

Verse 2

Likes to tease, baby please
Don't you stand so close to me
Girl you got me shakin...
Tell me why? Does she try
Makes me wanna tell a lie
Seems my head is achin'
Said she knows like a pro
Make you give up all your gold
Time that I be breakin'
Know it's wrong, girl I'm gone
Won't have me singing that sad song
Can't believe the chance I'm takin'

Hook

Crazy little schoolgirl
Mamma & Daddy's whole world
Crazy little schoolgirl
You're too young for my world

BPart

You better rush on home

Girl, leave me alone
Don't move to fast or you gonna burn that ass
Better take your time or
You gonna blow your mind
You're gonna lose the game
And you gonna have a name

Hook
Crazy little schoolgirl
Mamma & Daddy's whole world
Crazy little schoolgirl
You're too young for my world
