Lord I'm a sinner
I confess all to you
You never let me down
Trouble you seen me through
Why did you do it
Save a poor wretch like me
Don't feel I'm worthy
But I'm so glad you did
Gave me a brand new song
Never knew love like this
Feeling is burning strong
Feeling I can't resist
Don't care what people say
I'm going all the way
Any time any place
You just call my name
And I'll go

(Chorus)

Go when he calls me
Go when he calls me
Go when he calls me

Feel like I lost my light
Darkness covered my soul
Things were'nt going right
Lost all my self control
But you turned my life around
True love in him I found
Put me on solid ground
And I'm gonna stay down
Cause I don't care what people say
I'm going all the way
Any time any place
You just call my name
And I'll go

(Chorus)

Go when he calls me
Go when he calls me

Go when he calls me
