Sometimes I smoke
Sometimes I choke
Sometimes play around
But, I ain't no joke
Everynight I pray
But sometimes I stray
Disfunctional tendencies
But everything is ok
Just doing my thing

Hook
Just doing my thing (answer)
Just doing my thing
Just doing my thing (answer)
'till the heavens ring
Let the people sing
I'm just doing my thing

Sometimes I tease
Sometimes I please
Sometimes I let it all out
What's inside of me
Sometimes I try
Sometimes I lie
Sometimes I break right down
And just start to cry
I'm just doing my thing

Just doing my thing
Just doing my thing (answer)
Just doing my thing
Just doing my thing (answer)
'till the heavens ring
