Infatuation  
Degredation  
Saturation  
You're inside of me

Mass confusion  
Cold illusion  
You're infusion

I just can't

(Chorus)

I'm so into you  
Don't know what to do  
Is this really love  
Or are you just a drug

Contradiction  
My affliction  
Is it fiction  
Or reality

Procrastination  
Contemplation  
Hallucination  
Is this really me

(Chorus)

I'm so into you  
Don't know what to do  
Is this really love  
Or are you just a drug

Isolation  
Depreavation  
Restoration  
Let my light break free

Motivation  
Continuation

Jubilation  
Feel a stronger me

(Chorus X2)

I'm so into you  
Don't know what to do  
Is this really love  
Or are you just a drug
