Ha, ha, ha, ha
Hard as they come!
[Natti]
$l a ̂ €^{T M} \mathrm{~m}$ a monster that donâ$€^{T M} t$ reside up under your bed
lâ $€^{\text {TM }}$ ma march to the beat that I put into your head Send shots to your liver I deliver you death You can barter your tomorrow but a martyr youâ€ ${ }^{T M}$ re left
Get you hot under the collar when my nameâ $\epsilon^{T M} s$ on your breath
Click the starter on your Impala $l \hat{a} €^{\mathrm{TM}} \|$ be there when you wreck
Fuckinâ $€^{T M}$ with me you better keep your feelings in check
Be the life of the party or a lifeless body
Get with me thinkinâ€ $\mathrm{TM}^{\mathrm{m}}$ you hard, youâ€ $\mathrm{T}^{\mathrm{m}}$ II be hardly standinấ ${ }^{T M}$
lâ $€^{\text {TM }} m$ the hardest of them all, youâ $€^{T M}$ re the hardest landinấ ${ }^{\mathrm{TM}}$
Face first in the asphalt, your ass talked
Too wreckless, now you helpless from the rounds you caught
lâ $€^{\text {mM }} \|$ teach your ass a lesson, outlined in chalk
Have you hostage in the hospice, high and trying to walk
I am bravery in a bottle, I am courage in a glass
I got the governmentâ $€^{\text {mM }} s$ approval, prohibition
couldnâ $€^{\text {TM }}$ t last
I go hard.
Ha, ha, ha, ha
Hard as they come!
[Freddie Gibbs]
Câ $€^{\text {m }}$ mon letâ $€^{\text {m }}$ s ride out!
The whole family over for Christmas dinner
Letâ $€^{\mathrm{Tm}} \mathrm{s}$ go through the purses and sell the gifts from your momâ $€^{\text {TM }} \mathrm{s}$ house
They know you out here doing dirt for cash
Plus you the one unemployed, a couple dollars ainâ $€^{T M} t$ gon hurt they ass
lâ $€^{\mathrm{Tm}} \mathrm{m}$ the only friend you got

You tried to sell me but you took a hit and eventually you just couldnâ $€^{\text {TM }}$ t stop
A couple of sniffs would get you lit but couldnâ $€^{\text {TM }}$ t get you to the top
Oh what an event when you got hip to cookinâ $€^{\text {TM }}$ me into them rocks
I had you locked, you know it costs to come and see me So fuck yo groceries, fuck yo bills, go on and pawn that TV
And fuck yo life, just catch this beam and take it straight to the dome
And fuck yo kids, the stateâ $€^{\text {TM }}$ II seperate emâ $€^{\text {TM }}$ and place emâ $€^{T M}$ in homes
Itâ $€^{\text {TM }}$ S gonna be cool, I know I got you crazy subdued Ever since the $80 \hat{a} €^{\text {TM }}$ s played your whole community for a fool
And the ones that sold me smoke each other over new tennis shoes
They field niggas, lâ $€^{\text {TM }} m$ the definition of death, the real killa
Ha, ha, ha, ha
Hard as they come!
[Kno]
$l a ̂ €^{T M} m$ with the fiends on the block playin shoot emâ $€^{\text {TM }}$ up
When I erupt makes it hard to know who to trust
People scared to test me since the $80 \hat{a} €^{\mathrm{Tm}} \mathrm{S}$
Anybody can get it, man woman or baby
Shots do not discriminate, impossible to eliminate
I disseminate, you disintegrate
I can come off as a prick, you might get stuck with lâ $€^{\text {TM }} \|$ probably steal your girl if you try and fuck with me
Cuz next to me youâ $€^{\text {TM }}$ re looking quite frail
And if you snitch youâ $€^{\text {TM }}$ Il be counting your days in white cells
Just needlessly in CB4
Ask the CDC no CD4â $€^{T M} s$
Cuz the truth is lâ $€^{T M} m$ on Americaâ $€^{T M} s$ dick
Uncle Sam fucks the poor and itâ€ ${ }^{T M} s$ making emâ $€^{\text {m }}$
sick
Now their lifeâ $€^{\mathrm{Tm}} \mathrm{s}$ in a Tube, a downward spiral
Give a new meaning to going viral
lâ $€^{\text {TM }} m$ hard as they come
Ha, ha, ha, ha
Hard as they come!
