It's a perfect day for letting go  
For setting fire to bridges  
Boats  
And other dreary worlds you know  
Let's get happy!  
It's a perfect day for making out  
To wake up with a smile without a doubt  
To burst grin giggle bliss skip jump and sing and shout  
Let's get happy!

But it's much to late you say  
For doing this now  
We should have done it then  
Well it just goes to show  
How wrong you can be  
And how you really should know  
That it's never too late  
To get up and go

It's a perfect day for kiss and swell  
For rip-zipping button-popping kiss and well...  
There's loads of other stuff can make you yell  
Let's get happy!  
It's a perfect day for doing the unstuck  
For dancing like you can't hear the beat  
And you don't give a further thought  
To things like feet  
Let's get happy!

But it's much too late you say  
For doing this now  
We should have done it then  
Well it just goes to show  
How wrong you can be  
And how you really should know  
That it's never to late  
To get up and go

Kick out the gloom  
Kick out the blues  
Tear out the pages with all the bad news

Pull down the mirrors and pull down the walls  
Tear up the stairs and tear up the floors  
Oh just burn down the house!  
Burn down the street!  
Turn everything red and the beat is complete  
With the sound of your world  
Going up in fire  
It's a perfect day to throw back your head  
And kiss it all goodbye

It's a perfect day for getting old  
Forgetting all your worries  
Life  
And everything that makes you cry  
Let's get happy!  
It's a perfect day for dreams come true  
For thinking big  
And doing anything you want to do  
Let's get happy!

But it's much too late you say  
For doing this now  
We should have done it then  
Well it just goes to show  
How wrong you can be  
And how you really should know  
That it's never too late  
To get up and go

Kick out the gloom  
Kick out the blues  
Tear out the pages with all the bad news  
Pull down the mirrors and pull down the walls  
Tear up the stairs and tear up the floors  
Oh just burn down the house!  
Burn down the street!  
Turn everything red and the dream is complete  
With the sound of your world  
Going up in fire  
It's a perfect day to throw back your head  
And kiss it all goodbye
