I can't believe it  
I must be dreaming  
She turns  
The sound down  
Says "I am heaving  
This is a freakshow"  
And I am screaming  
She spins  
The world round  
I want to stop

Bittersweet again  
Her opening move  
Down and out in black  
Soft shiny and smooth  
Looks like the alien  
Crowd got groove  
She burns her name  
Into my arm  
But I can never  
Get through

To play the game  
She's trying to lose  
Her ultraviolet makes it  
Harder to choose  
Looks like the edge  
Of the earth got moved  
She blurs a way  
Across the floor  
I spin  
To swallow the view

And it's the same sway  
Yeah  
It's the same slide  
It's the same stare  
Oh  
It's the same smile  
Yeah  
It's the same but

It's not quite right

Oh

It's insane

She shakes like a freak

Stuck in the middle

Of the room for a week

Looks like the only way

To get on the beat

Is take her up

On how to swing

But I am

Missing my feet

And it's the same sway

Yeah

It's the same slide

It's the same swish

Oh

It's the same smile

Yeah

It's the same but

It's not quite right

I'm in a step, out

She two more steps

Down

For three steps up

Clap

And go around

Ow

It makes my head buzz

She wants to come now

I try to stop

Always infradig her

Finishing move

Up and down in black

Soft shiny and smooth

Looks like the alien

Crowd got groove

She cuts a number

Out my arm

But I can never

Get through

To play this game

She's trying to lose

The stuff from Mars

Makes it harder

To choose

Looks like  
The final frontier  
Got moved  
She blurs a way  
Across the floor  
I spin to swallow  
The view

And it's the same sway  
Yeah  
It's the same slide  
It's the same strip  
Oh  
It's the same smile  
Yeah  
It's the same  
But it's not  
Quite right

I can't believe it  
I must be dreaming  
She turns  
The lights up  
Says she is leaving  
This is a freakshow  
And I am beaten  
She spins  
The world round  
I have to stop
