A nightmare of you, of death in the pool, wakes me up
at quarter to three
I'm lying on the floor of the night before with a stranger
lying next to me
A nightmare of you, of death in the pool, I see no
further now than this dream
The trembling hands of the trembling man
Hold my mouth to hold in a scream

I try to think to make it slow
If only here is where I go
If this is real, I have to see
I turn on fire and next to me
It looks good (It looks good), it tastes like nothing on
earth
It looks good (It looks good), it tastes like nothing on
earth
It's so smooth it even feels like skin, it tells me how it
feels to be new
It tells me how it feels to be new, a thousand voices
whisper it true
It tells me how it feels to be new and every voice
belongs, every voice belongs to you

A nightmare of you, of death in the pool, wakes me up
at quarter to three
I'm lying on the floor of the night before with a stranger
lying next to me
It looks good, it tastes like nothing on earth
It looks good, it tastes like nothing on earth
It's so smooth it even feels like skin, it tells me how it
feels to be new
It tells me how it feels to be new, a thousand voices
whisper it true
It tells me how it feels to be new and every voice
belongs, every voice belongs to you
