"The Baby Screams"

Heaven, give me a sign
Waiting for the sun to shine
Pleasure fills up my dreams
And I love it like a baby screams

It's so useless
How can you be proud when you're sinking into the
ground?
Into the ground fills up my dreams
And I love it like a baby screams
Couldn't ask for more you say
Take it all and strike me, strike me, strike me dead
Strike me, strike me dead
Waiting again, waiting like I waited before
Waiting again, waiting here for nothing at all
Heaven fills up my dreams
And I love it like a baby screams
Couldn't ask for more you say
Couldn't ever let it end
Take it all, take it all
And strike me, strike me, strike me, strike me, strike
me dead
Strike me, strike me dead, strike me, strike me dead

Me, strike me, strike me dead

Heaven, heaven, heaven, heaven
