Tell me who doesn't love what can never come back?
You can never forget how it used to feel
The illusion is deep, it's as deep as the night
I can tell by your tears you remember it all
I am paralysed by the blood of christ
Though it clouds my eyes, I can never stop, never stop
How it feels to be dry, walking bare in the sun
Every mirage I see is a mirage of you
As I cool in the twilight, taste the salt on my skin
I recall all the tears all the broken words
I am paralysed by the blood of christ
Though it clouds my eyes, I can never stop, never stop
When the sunset's glow drifts away from you
You'll no longer know if any of this was really true at all

I am paralysed by the blood of christ
Though it clouds my eyes, I can never stop, never stop
Tell me who doesn't love what can never come back?
You can never forget how it used to feel
I am paralysed by the blood of christ
Though it clouds my eyes, I can never stop, never stop
I am paralysed by the blood of christ
Though it clouds my eyes, I can never stop, never stop
