Oh, I love
Oh, I love
Oh, I love
What you do to my head
(Hair?)
When you push me upstairs
And you pull me into bed
I love what you do
To my head
(Hair?)
It's a mess up there

Oh, I love
Oh, I love
Oh, I love
What you do to my heart
When you push me back down
And it pulls me apart
I love what you do
To my heart
It's the best, oh yeah

You're the only woman
I'd try for
Yeah, the only one I'd
(Die to pray for?)
You're the only woman
I'd sigh for
Yeah, the only one
I'd try to be clear
And it gets
Better everyday, I say
With you it's
(So extreme?)
Yeah, it gets
Better everyday, I say
With you it's so real
It gets
Better everyday, I say
With you
It's such a dream

Oh, I love
Oh, I love
Oh, I love
What you do to my lips
When you pull me outside
And I?
You like this
I love what you do
To my lips
It's a
(Sin for me?)
(Symphony?)
Oh, I love
Love, love, love
What you do to my hips
When you throw me outside
And insult me like this
I love what you do
To my hips
It's the best
Oh, yeah
You're the only woman
I'd try for
Yeah, the only one
I've time for?
The only woman
I'd sigh for
Yeah, the only one
I'd die to?
And it gets
Better everyday, I say
With you it's so ?
And it gets
Better everyday, I say
With you it's extreme
It gets
Better everyday, I say
With you
It's like a dream
I love
Oh, I love
Oh, I love
What you do to me
