You and me  
Are the world  
She said  
Nothing else is real  
The two of us  
Is all there is  
The rest  
Is just a dream

Always meant to be  
I can't feel it  
Like the destiny  
And fate  
Written in the stars  
Inescapable fate  
It's out of my hands  
Falling into your arms

And I don't want  
To get in a ?  
But I would love you  
To take your time  
We're on the edge  
Of a beautiful thing  
She said  
So come on  
Stay here for awhile

Ooooooh, girl  
He is the one for sure  
Ooooooh, girl  
He is the perfect boy

Yeah  
Me and you  
Are the world  
I said  
But not the only one  
I need  
The two of us  
Is never all there is

That doesn't happen  
For real  
If it was  
Meant to be us  
It was meant to be now  
Don't see  
The sense in wasting  
(Wasted?) time  
If you're so sure  
About this ??  
Well then tonight  
You're mine

And I don't want  
To get obvious  
But I have to be  
Gone by three  
We're on the edge  
Of a beautiful thing  
He said  
So come on  
Jump with me

Ooooooh, girl  
He's not the one  
For sure  
Ooooooh, girl  
He's not  
So wonderful  
Ooooooh, girl  
He's not the one  
For sure  
Ooooooh, girl  
He's not  
The perfect boy  
At all

You and me  
Are the world  
She said  
Nothing else is real  
The two of us  
Is all there is  
The rest  
Is just a dream

And her heart  
May be broken  
A hundred times  
But her hope?  
We'll never destroy

Her heart?  
The happy ever  
After girl  
Will never find  
The perfect boy
