Nothing left to feel  
Nothing more to do  
Nothing left to give  
Nothing more in you  
Nothing else to have or hold  
Nothing left, but time to go  
Time to go

Years go by  
Didn't really say that much at all  
And moments just fly  
Didn't ever really touch at all  
Weeks always run down  
Didn't really get that close at all  
And days, days fall out  
Didn't ever really know at all

And then we're here in a room too clean and too bright  
She stares at you for an hour  
You stare into the light  
For one last hour in the room  
So mean and so white  
I stare at her in this room as she stares into the night

Nothing left to feel  
Nothing more to do  
Nothing left to ask  
Nothing more of you  
Nothing else to share or show  
Nothing left but time to go

In his eyes as we turn no eternity of life  
In his eyes as we turn no infinity of why  
In his eyes as we turn no beautiful goodbye

In his eyes as we turn... NOTHING BUT TEARS

In his eyes as we turn... NOTHING BUT TEARS

(Robert talks in a low voice:) I couldn't understand too much of what was being said, in a matter of minutes,

Peacefully so slow, I had to think to breath, my heart  
burst, we moved in silence really slowly away from the  
world,  
As we drove a strange silence, that moment, nothing  
will ever be the same, nothing will ever be the same,  
nothing  
Will ever be the same

Days fall out  
Weeks always run down  
Moments just fly  
Weeks go by  
And then were here  
And then we're here in a room too clean and too bright  
I stare at you for an hour  
You stare into the light  
For one last hour in the room so mean and so white  
You stare at me in this room as I stare into the night

Nothing left to feel  
Nothing more to do  
Nothing LEFT to take  
Nothing more from you  
Nothing else to need or know  
There's nothing left at all...but time to go
