DERELICT

He says he's strong  
He doesn't know  
Slips on his back  
He went alone  
Why can't he ever get the knack?  
'Cause he's a derelict  
He doesn't know  
She went alone  
When he got back she wasn't home  
He won't be long  
She wants to go  
He says he's back  
She doesn't know  
Why can't he ever get the knack?  
'Cause he's a derelict  
He won't be long  
She wants to go  
He says he's back  
She doesn't know  
When he is gone  
She runs alone  
Can't make it back  
Around the track  
Why can't he ever get the knack?  
Slips over on his back  
The only thing that he lacks  
'Cause he's a derelict
