It's morning out here
I'm lying in bed
I'm writing so my thoughts
Are clear
To you my dear
It's morning here
Been counting the days
Life's rising like the waves
That one day will suddenly collapse
And fall into the traps
I hope will reform
Cos i've been lost
Easy as it seems
Two eyes have found
Me tonight
(x2)
Been singing all day
Undone and unpaid
I've been drawing
The deal that got away
Please help me my friend
I'm down yet again
Please tell me all will be ok
If you just come along with me
And i will show you the way
Cos i've been lost
Easy as it seems
Two eyes have found
Me tonight
(x2)
Oh, your eyes are brown
But to me they're red
Your eyes are brown
But to me they're red
Oh your eyes are brown
But to me...
Two eyes have found
Two eyes have found
Me tonight
I've been lost
Easy as it seems
Two eyes have found

Me tonight
(x2)
